Framework Standards Development Roadmap

[Framework Standards Development Process](#)

Updated May 2024

Potential to accelerate Standards process:

- (6) Advisory Peer Review needs to be updated to include Addresses and Buildings FIT
- (8) Replace Forum Endorsement with TAC Endorsement in Jan/Feb.
- (8) Present OGIC Endorsed Standard at Spring Forum.
- (10) Request OGIC Endorsement at January 2025 Meeting.

Notes:

Coordination with PSAP Advisory Committee will occur prior to publishing data to NAD. Address point data is expected to be published to NAD prior to Dec. 31st, 2024.
