Data Oregon Gov - Subcommittee Members	Bob Harmon, Chris Bradbury, Don Pettit, GEO - Membership finalized		
Webbase Geospatial Project Tracking - Subcommittee Members	Randy Dana, Tanya Harding, Erik Endrulat, Diana Walker - Nothing to report at this time OGIC MOA discussion, Web-base geospatial projects		
Discussion on ESRI Technical Certification and the GISCI testing based certification	<p>This was a good discussion and just a few highlights are here.</p> <p>GISP</p> <ol style="list-style-type: none"> 1. Certification is OGIC endorse 2. Is Broad, Not Technical, Project Management, Ethics 3. Measures the well roundedness of the GIS professional and will probably incorporate the GIS body of knowledge if they proceed with an exam-base certificate. 4. Happening in 2014 <p>ESRI Technical Certification</p> <ol style="list-style-type: none"> 1. Software specific 2. Mastery of software <p>Since ESRI is a State standard the following comments/questions came up:</p> <ol style="list-style-type: none"> 1. For jobs if ESRI skills are required having this certificate would be a way to check a persons skills 2. Need to ask PAC and OGIC to give feed back on should we have this a desirable/ recommended for job announcements ore PDs 3. We need more info <p>Decided to dock this for a year to see how the ESRI certificate plays out in the GIS world.</p>		

Other notes	Imagery/Lidar cloud - Agreement not signed so pilot has not started
