- Oregon & California Lands (O&C Lands) Administered By U.S. Forest Service
- Radio & Air Facilities
- Miscellaneous
- State, County, City, Wildlife, Park and Outdoor Recreation Areas
- Acquired Lands (By Administering Agency)

NOTE TO MAP USERS
The surface and minerals management status overlays are published as general planning and management tools. Some of the lands, surface and mineral rights, may have been shown as patented lands due to the lack of information available to BLM with respect to the nature of acquisition. Tracts less than 40 acres are usually omitted because of the map scale. Access through lands may be restricted. The official land records in the respective offices of the Bureau of Land Management or other responsible Federal agencies should be checked for up-to-date status on any specific tract of land. Inadequacies in the BLM maps should be reported to the respective Bureau of Land Management offices from which the maps were obtained.

Edited and published by the Bureau of Land Management
Base map prepared by the U.S. Geological Survey
Compiled from USGS 1:24 000- and 1:62 500-scale topographic maps dated 1959-1974. See index for dates of individual maps.
Planimetry revised from aerial photographs taken 1974 and other source data. Revised information not field checked Map edited 1978
Projection and 100 000-meter grid, zone 11: Universal Transverse Mercator
50 000-foot grid ticks based on Oregon coordinate system, south and north zones
1927 North American datum
Surface Management Status by BLM, 1979
