

Mapped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1959. Field checked 1966
Polyconic projection. 1927 North American datum
10,000-foot grid based on Oregon coordinate system, north zone
1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue

To place on the predicted North American Datum 1983
move the projection lines 19 meters north and
87 meters east as shown by dashed corner ticks
Fine red dashed lines indicate selected fence lines
Where omitted, land lines have not been established
There may be private inholdings within the boundaries of
the National or State reservations shown on this map.
