

Mapped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA
Topography by photogrammetric methods from aerial
photographs taken 1971. Field checked 1972
Projection: Oregon coordinate system, north zone
(Lambert conformal conic)
10,000-foot grid ticks based on Oregon coordinate
system, north and south zones
1000-meter Universal Transverse Mercator grid ticks,
zone 11, shown in blue. 1927 North American datum
To place on the predicted North American Datum 1983
move the projection lines 17 meters north and
82 meters east as shown by dashed corner ticks
Fine red dashed lines indicate selected fence lines
There may be private inholdings within the boundaries of
the National or State reservations shown on this map
