

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1974. Field checked 1978. Map edited 1982

Projection and 10,000-foot grid ticks: Oregon coordinate system, south zone (Lambert conformal conic)

1000-meter Universal Transverse Mercator grid, zone 10 1927 North American Datum

To place on the predicted North American Datum 1983 move the projection lines 20 meters north and 91 meters east as shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs

This information is uncheckered
